- Wattage standard bulb: 60 W
- Fitting/Cap: B22
- Voltage: 220-230 V
- EEL: C
- Dimmable
- Lifetime of lamps: 2 year(s)
- Lifetime of lamps: 2000 hour(s)

# Highlights

## Best dimmibility

This lamp can be used in combination with all dimmers and will not only turn down the light to 1% but also create a cosy atmosphere as you are used with your incadescent.

## No hazardous substances

LED lamps contain absolutely no hazardous materials, making them safe for any room and convenient to recylce.

## Look & feel as tradional lamps

These lamps are designed to look like a tradional incandescent bulb, candle, lustre or spot. Similar look & feel, but a smarter investment.

## Bright light

Bright light energises and enhances your work and play. This light can help you stay focused making tricky tasks simpler.

## Instant start

Immediate light when switching on, that is the promise of our instant starting energy saving lamps.

## Carbon footprint

Energy savers reduce the amount of energy in your home, which not only results in a lower eenrgy bill, but also in less carbon (CO2) output by your energy supplier. Together we make this a better world to live in.

## Energy efficient

All Philips energy savers save energy from the moment you turn the switch. During their lifetime they use less Kw and thus also result in a lower energy bill. The level of energy saving differs per lamp type and technology.

## Reliable quality

Philips keeps their promises about lamp performance. You can trust what the Philips packaging is saying about light output, lifetime, and wattage equivalent to incandescent lamps.
